NORTH RANGE METROPOLITAN DISTRICT NO. 5 2020 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

North Range Metropolitan District No. 5 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts No. 1, 2, 3, and 4 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the Budget at the adopted total mill levy.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8% of the property taxes collected by the General Fund.
