Services Provided

Reunion Metropolitan District (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts No. 1, 2, 3, 4, and 5 (collectively "NRMD's"). The District and the NRMD's have entered into intergovernmental agreements whereby Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that the District will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to the District.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Interest income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.0%.

Development fees

The District has established a development fee that is to be imposed on new residential and non-residential (commercial and industrial) development within the NRMDs. The system development fee is designed to recover a portion of the estimated costs of the construction of street improvements, storm drainage facilities, parks, trails and street landscaping and water and wastewater infrastructure costs as found in the District's Facility Plan.

The required system development fee is based upon the needs identified in a comprehensive planning document called the Facility Plan that identifies the capital improvements described above.

Additionally, the City of Commerce City has agreed to allow the District to collect and keep the Road Impact Fee that the City has imposed on new development. The District will be able to collect and keep the fees until such time as the costs for any major arterials constructed by the District on behalf of the City are reimbursed.

Revenues - (continued)

Recreation center revenue

The District imposes a monthly recreation fee on all occupied residential properties within the boundaries of the District and the NRMDs in order to provide for the operating needs of the recreation center. The monthly fee is \$28.50 per household and the District has provided an allowance for doubtful collections. Additionally, the recreation center puts on numerous programs throughout the year and charges for these programs in order to offset the costs of organizing and administering such programs.

HOA revenue

The District, by agreement, assumed operational control and responsibility for the Reunion Homeowners' Association (HOA). The annual HOA fee is \$96 and will be billed at \$8 per month and the District has provided an allowance for doubtful collections. This fee is established by the District on behalf of the Reunion HOA Board and imposed to pay for the expenditures associated with the HOA.

MLEPA Payments from North Range Districts

On June 3, 2016, and as amended on May 1, 2017, the District entered into a Mill Levy Equalization and Pledge Agreement (MLEPA) with North Range District Nos. 1, 2, 3 and 4 (collectively, the "MLEPA Districts" and individually, a "MLEPA District") in order to promote the integrated plan of development set forth in the Service Plans for the MLEPA Districts. The MLEPA is intended to ensure an equitable allocation among the MLEPA Districts of the costs of acquiring, installing, constructing, designing, administering, financing, operating, and maintaining streets, water, sanitation and various other public improvements (collectively, the "Public Improvements") and services, as well as covenant enforcement services within Reunion.

Pursuant to the MLEPA, each applicable North Range District agrees to impose an Equalization Mill Levy consisting of the Debt Service Mill Levy plus the Operations and Maintenance Mill Levy in order to pay the Developer Debt, the Senior Bonds, the Reunion Debt and the operations and maintenance costs of the Districts. The MLEPA generally defines the term "Developer Debt" as (i) amounts owed to the Developer by any applicable North Range District for advancing of guaranty payments on the Senior Bonds, for the provision of Public Improvements or for advancing of amounts to fund operations shortfalls and (ii) any other repayment obligation incurred by the MLEPA Districts in connection with advances made by the Developer to the MLEPA Districts for the purpose of paying the costs of designing, acquiring, installing, and constructing the Public Improvements or paying the operations and maintenance costs of the MLEPA Districts. The MLEPA generally defines the term "Senior Bonds" as all bonds issued by the North Range Districts, now or in the future, which bonds shall be senior to any obligations of the North Range Districts under the MLEPA. The term "Reunion Debt" generally means all bonds, agreements or other financial obligations issued or incurred by Reunion or assumed by Reunion from any North Range District, specifically including the 2017 Reunion Bonds.

Expenditures

General Government

General government expenditures included the estimated services necessary to maintain the District's administrative viability, such as legal, management, accounting, insurance, and meeting expenses. These general government expenditures are incurred not only for Reunion, but also on behalf of the NRMD's.

Operations

Facilities that are constructed by the District are either turned over to a third party for maintenance (i.e. streets to Commerce City, or water and sewer lines to South Adams County Water and Sanitation District) or maintained by the District (i.e. streets, landscaping, and parks). The budget reflects the District's operational expenditures in order to maintain those assets not conveyed to other entities.

In addition, the cost of operating and maintaining the Reunion Recreation Center and Homeowners' Association are also included under this category, although they are accounted for within their respective special revenue funds

Capital Outlay

Anticipated expenditures for capital outlay are reflected in the Capital Projects fund page of the budget.

Intergovernmental

In conjunction with the 2017 bond issuance for NRMD No. 2, the District anticipates transferring certain revenues generated by NRMD No. 2 development to NRMD No. 2 in order to pay the principal and interest on the Bonds.

Debt and Leases

On June 30, 2017, the District issued its Series 2017, Subordinate Bonds (Non-rated, Cash-Flow, Fill-up bonds) in the original par amount of \$16,600,000 with the final par being \$21,600,000. The bonds bear interest of 4% and are payable beginning December 15, 2017 based on available cash flow from Excess revenues generated from North Range 1 and North Range 2 development. After the December 15, 2017 payment, no payments will be made on the Bonds until \$5 million in Excess revenues have been generated to fund certain capital improvements; payments will resume after thereafter. The District has no operating or capital leases.

Reserves

Emergency Reserve

The District does not provide for Emergency Reserves. The taxing entities of North Range Metropolitan District No. 1, North Range Metropolitan District No. 2, North Range Metropolitan District No. 3, and North Range Metropolitan District No. 4 provide for emergency reserves equal to at least 3% of fiscal year spending, as defined under TABOR.
