

# CURRENT COVID-19 REUNION RECREATION CENTER RULES

(updated 07.16.20)

As we attempt to balance the health and safety of our residents and staff, we've adopted the following rules to help promote social distancing. These rules will be in place until future notice. We will continue to monitor updates from the CDC, CDPHE, Tri-County Health Department, and other municipalities. Rules will be modified, as necessary.

**Closures.** At this time, only the Weight Room, Aerobics Room (with fitness equipment), Gymnasium (with fitness equipment) and the restrooms are available for use. We will not offer babysitting and the gymnasium for basketball, volleyball, etc, and showers are currently not available. All users of the facility must be 18+ years of age (14-17 years may use the Weight Room with a waiver signed by their parent or legal guardian).

**Waivers.** All users are required to read and complete a Waiver of Liability and Release – Use of Amenities During COVID-19 Form. Those under the age of 18 will need this form completed by their parent/legal guardian.

**Temperature Checks.** All staff and recreation center users will be required to have their temperature checked by a Center-provided thermometer. Anyone with a temperature over 100.4 degrees will not be allowed in the Center.

**Facial Coverings/Masks.** All staff and recreation centers users will be required to wear masks. ~~Although highly recommended, masks are not required during workouts.~~

**UPDATE: DUE TO THE GOVERNOR'S RECENT EXECUTIVE ORDER D 2020 138 (MANDATORY STATEWIDE MASK ORDER IN ALL INDOOR PUBLIC PLACES), ALL RECREATION CENTER USERS MUST WEAR A MASK/FACE COVERING. THIS WILL INCLUDE THOSE WORKING OUT. EXECUTIVE ORDER GOES INTO EFFECT JULY 17 AT MIDNIGHT AND CONTINUES FOR 30 DAYS. THIS ORDER MAY ALSO BE EXTENDED.**

**Guests.** At this time, ONLY residents are authorized to use the facility. Please continue to bring your Resident ID Card for access. Replacement cards are \$5.

**Fitness Equipment.** Machines are safely spaced to support social distancing measures. Please do not move machines or equipment. All users will be required to clean machines after use with provided sanitizing sprays/wipes. Recreation Center Staff will also clean and disinfect prior to opening, after closing, and between reservations.

**Operating Hours.** The Recreation Center will have modified hours to ensure for proper sanitizing, cleaning and disinfecting. They are: Monday-Friday – 730a-7p, Saturdays – 10a-5p, and Sundays – 1130a-5p.

**Entrance/Exit.** There will be separate entrance and exit plans to aid with social distancing. Please follow signage throughout the facility.

**Limitations.** We are limited to only allow 12 people in the facility at one time. Workouts are limited to 60-minute workouts so we can allow as many users to enjoy the facility. Each person must reserve a spot online through our Signup Genius page –

<https://www.signupgenius.com/go/9040548aeaa2ba3fa7-reunion>

IF YOU DO NOT RESERVE A SPOT, YOU MAY NOT WORK OUT. Beginning the week of June 21, each person may reserve up to 5 reservations per week (Up until June 20, each person may reserve 3 time slots). If this creates issues, and people cannot received desired times, we may have to go back to a maximum of 3 time slots per person. PLEASE DO NOT SIGN UP FOR MORE THAN WHAT IS ALLOWED. All people working out should be ready to go. That means, dressed and ready to participate. We ask all to depart immediately after workout as social gathering is highly discouraged.

**Social Distancing and Sanitizing Stations.** Please remain at a minimum of 6 feet in distance from each person. There are numerous sanitizing stations to help promote safety measures against COVID-19.

**Help us.** Although these rules may not seem ideal, we need to ensure we follow all established guidelines. This is your recreation center. Please take pride and accept what we are currently allowed to offer. Please keep yourself and others safe by following current rules – cleaning machines, using sanitizing stations, keeping safe distancing, wearing masks, washing hands, etc.
