NOW, THEREFORE, the Board hereby RESOLVES:

**1. Statement of Lien Guidelines:**

a. ***Perpetual Lien.*** Pursuant to § 32-1-1001(1)(j)(I), C.R.S., all Delinquent Fees and Charges shall constitute a perpetual lien on and against the Property served by the District (the “**Lien**”). All such Liens shall, to the fullest extent permitted by law, have priority over all other liens of record affecting the Property and shall run with the Property and remain in effect

until paid in full. All Liens contemplated herein may be foreclosed as authorized by law at such time as the District, in its sole discretion, may determine.

i. Notwithstanding the foregoing, the guidelines set forth in this Resolution are intended to create orderly and fair procedures for the processing and collection of Delinquent Fees and Charges and to provide additional notice to interested parties, including, but not limited to, title companies and the Property owner. In the event any or all of the guidelines set forth in this Resolution are not followed, such deviation shall not affect the status of the Lien in any way. Further, the Board may waive any guidelines set forth in this Resolution and may amend them from time to time as it deems necessary.

b. ***District's Manager Procedures.*** The District's Manager, Accountant or Billing Agent (any of which are referred to herein as the "**Manager**") is responsible for collecting Fees imposed by the District against the Property. In the event payment of Fees is delinquent, the Manager may perform the procedures listed below. The Fees are considered delinquent when they have not been paid by their corresponding due date (the "**Delinquent Account**"):

i. *Fifteen (15) Calendar Days Past Due:* A delinquent payment "Reminder Letter" may be sent to the address of the last known owner or occupant of the Property according to the Manager's records. In the event the above mailing is returned as undeliverable, the Manager may send a second copy of the Reminder Letter to: (1) the Property; and (2) the address of the last known owner of the Property as found in the real property records of the County Assessor's Office (the "**Assessor**") for the County in which the District is located (collectively, the "**Property Address**"). Said Reminder Letter may: (1) request prompt payment; (2) notify the Property owner that a Reminder Letter Fee, and a Late Fee in the amounts set forth in this Resolution have been assessed; and (3) reference the url address of the District's webpage where this Resolution is displayed, if available and requested by the Board.

ii. *Fifteen (15) Calendar Days From the Postmark Date of the Reminder Letter:* A "Warning Letter" may be sent to the Property Address: (1) requesting prompt payment; (2) warning of further legal action should the Property owner fail to pay the total amount due and owing; and (3) referencing the url address of the District's webpage where this Resolution is displayed, if available. Along with the Warning Letter, a copy of the most recent account ledger reflecting the total amount due and owing to the District according to the records of the Manager may also be sent.

iii. *Delinquent Account Post Warning Letter:* Once the total amount of Delinquent Fees and Charges owing on the Property has exceeded \$500.00, regardless of whether the Manager has performed the tasks outlined in Section 1(b) of this Resolution, the Manager may refer the Delinquent Account to the District's General Counsel (the "**General Counsel**"). At the time of such referral, the Manager may be requested to provide General Counsel with copies of all notices and letters sent pursuant to Section 1(b), if any, as well as a copy of the most recent ledger for the Delinquent Account.

c. ***General Counsel Procedures.*** Upon referral of a Delinquent Account from the Manager, General Counsel may perform the following:

i. *Upon Referral of the Delinquent Account From the Manager:* A “Demand Letter” may be sent to the Property Address, notifying the Property owner that the Property has been referred to General Counsel for further collections enforcement, including the filing of a statement of lien against the Property. Along with the Demand Letter, a copy of the most recent account ledger reflecting the total amount due and owing the District according to the records of the Manager may also be sent.

ii. *No Sooner than Thirty (30) Calendar Days from the Postmark Date of the Demand Letter:* A Notice of Intent to File a Statement of Lien, along with a copy of the statement of lien to be filed, may be sent to the Property Address of the Delinquent Account notifying the Property owner that a statement of lien will be recorded with the clerk and recorder of the County where the Property is located (the “**Clerk and Recorder**”) within no sooner than ten (10) days from the postmark date of the Notice of Intent to File a Statement of Lien.

iii. *No Sooner than Ten (10) Calendar Days from the Postmark Date of the Notice of Intent to File a Statement of Lien:* A Statement of Lien for the total amount due and owing as of the date of the Statement of Lien may be recorded against the Property with the Clerk and Recorder no sooner than ten (10) days from the postmark date of the Notice of Intent to File a Statement of Lien is sent to the Property. Notwithstanding the amount due and owing reflected on the Statement of Lien, all Delinquent Fees and Charges will continue to accrue on the Delinquent Account and will run with the Property until the total amount due and owing the District is paid in full.

d. ***Foreclosure or Bankruptcy.*** In circumstances where the Property is being foreclosed upon or where the owner of the Property has declared or is declaring bankruptcy and notice of such bankruptcy action has been provided to the District, the Manager may be permitted, in his or her discretion, to refer the Delinquent Account directly to General Counsel in order to avoid unnecessary, costly and time consuming procedures. Upon referral of the Delinquent Account to General Counsel, General Counsel may, in his or her discretion, immediately file a Statement of Lien on the Property. Further, when a Delinquent Account has a balance of \$1,500.00 or greater, General Counsel is authorized to commence foreclosure action against the Property. The District may, at its option, forward a copy of the foreclosure warning letter to any and all deed of trust holders and/or counsel for any and all deed of trust holders of record.

## 2. **Late Fees:**

a. Late Fees are assessed on the Property for failure to make timely payments of Fees. Late Fees are applied, regardless of whether the Fees are assessed on a one-time, monthly, quarterly, semi-annual, annual, or any other basis.

b. Late Fees are assessed on the Property **Fifteen (15) calendar days from the payment due date.** Pursuant to § 29-1-1102, C.R.S., such Late Fee may be charged by either of the following two methods, whichever is greater:

i. One Late Fee of Fifteen Dollars (\$15.00) may be assessed on the Property per each assessment or installment of Fees not fully paid prior to the Fifteenth (15) calendar day following the payment due date; or

ii. In lieu of Section 2(b)(i) above, a Late Fee of Five Percent (5%) per month, commencing on the Fifteenth (15) calendar day following the payment due date, and each month thereafter, may be charged on unpaid Fees until the Late Fee equals Twenty Five Percent (25%) of all outstanding Fees.

c. Partial payment of any outstanding Delinquent Fees and Charges will not prevent the imposition of Late Fees pursuant to this Section 2.

d. Payments received will be applied to the balance due in the following order of priority: (1) Late Fees; (2) Interest; (3) Costs of Collections; (4) Legal Fees and Costs; (5) the earliest imposed and unpaid Fees; (6) any successive unpaid Fees in chronological order from the earliest unpaid Fees to the most recently imposed Fees.

e. No penalty will be assessed on the Property for a credit balance resulting from the prepayment and/or overpayment of Fees. Such credit balances will be carried forward on the account with all subsequent Fees and Delinquent Fees and Charges being deducted until such time as the credit balance is depleted. A Property carrying a credit balance may be assessed Late Fees as provided herein at such time as the credit balance is insufficient to pay the entire amount of Fees due and owing the District.

3. **Interest:** Interest charges accrue on all delinquent Fees at the maximum statutory rate of Eighteen Percent (18%) per annum. Interest shall not accrue and be charged on Late Fees, Interest or Costs of Collections. §29-1-1102, C.R.S.

4. **Penalties:** May be charged on Delinquent Accounts at a rate determined by the Board and may include, but are not limited to, pro-rated costs associated with collection efforts on behalf of the District for all Delinquent Accounts combined.

5. **Costs of Collections:**

a. Include, but are not limited to, attorneys' fees and all costs, fees and charges associated with the processing and/or collection of Delinquent Fees and Charges, including the following fixed rates and hourly fees and costs:

i. *Action Fees.* The following fixed rate fees are charged to a Delinquent Account once the corresponding action has been taken by either the Manager or General Counsel:

- ♦ *Reminder Letter Fee:* Ten Dollars (\$10.00) per Reminder Letter. This action is typically performed by the Manager.
- ♦ *Warning Letter Fee:* Ten Dollars (\$10.00) per Warning Letter sent. This action is typically performed by the Manager.

- ♦ *Monitoring Public Trustee Foreclosure Fee:* Two Hundred Dollars (\$200.00) per Public Trustee Foreclosure action monitored. This action is performed by General Counsel.
- ♦ *Attorney Reminder Letter Fee:* One Hundred Dollars (\$100.00) per Reminder Letter. This action is performed by General Counsel.
- ♦ *Certificate of Status Fee:* One Hundred Dollars (\$100.00) per Status Letter prepared. This action is performed by General Counsel.

- ♦ *Foreclosure Warning Letter Fee:* One Hundred Dollars (\$100.00) per Foreclosure Warning Letter prepared. This action is performed by General Counsel.
- ♦ *Lien Release Fee:* One Hundred Fifty Dollars (\$150.00) per lien that is released. This action is performed by General Counsel. It is recommended that the Lien Release Fee be charged to the Delinquent Account at the same time as the Lien Recording Fee.

ii. *Attorney Hourly Fees and Costs.* Upon transfer of a Delinquent Account to General Counsel, all hourly attorneys' fees and costs, including, but not limited to, litigation and expert witness fees and costs, litigation guarantees, service of process and/or publications incurred by the District to collect or defend the Delinquent Fees and Charges are assessed to the Delinquent Account and become part of the perpetual Lien on the Property. All such hourly attorneys' fees and costs shall be reasonable.

iii. *Recovery of Costs of Collections.* In accordance with § 29-1-1102(8), C.R.S., nothing in this Resolution shall be construed to prohibit the District from recovering all Costs of Collections whether or not outlined above.

#### **6. Waiver of Late Fees, Interest and Costs of Collections:**

a. The Manager and General Counsel each have authority and discretion to waive or reduce portions of the Delinquent Account attributable to Late Fees and Interest. Such action is permitted if either the Manager or General Counsel, in its discretion, determines that such waiver or reduction will facilitate the payment of Delinquent Fees and Charges. Notwithstanding the foregoing, neither the Manager nor General Counsel shall have the authority to waive Late Fees and Interest which, in the aggregate, exceeds One Thousand Dollars (\$1,000.00). In such case, the person or entity owing in excess of One Thousand Dollars (\$1,000.00) in Late Fees and Interest combined and requesting such a waiver shall first submit a request, in writing, to the Board, and the Board may make the determination in its sole discretion.

b. Neither the Manager nor General Counsel is authorized to waive any portion of the Fees or Costs of Collections. Should the Property owner desire a waiver of such Fees and/or Costs of Collections, s/he may submit a written request to the Board and the Board may make the determination in its sole discretion.

c. Any waiver or reduction of Late Fees or Interest granted pursuant to Sections 6(a) or (b) hereof shall not be construed as a waiver or reduction of future Late Fees and Interest, or as the promise to waive or reduce future Late Fees or Interest. Nor shall any such waiver or reduction be deemed to bind, limit, or direct the future decision making power of the Board, Manager, or General Counsel, whether related to the Property in question or other properties within the District.

**7. Payment Plans:** The Manager and General Counsel each have the authority to enter into or establish payment plans for the repayment of a Delinquent Account. Should the Manager or General Counsel elect not to enter into a payment plan with the Property owner, the

Property owner may submit a written request to the Board and the Board may make the determination in its sole discretion.

8. **Acceleration and Decelerations of Fees:** The District reserves the right to accelerate and call due an entire unpaid annual Fee on any delinquent account. Such acceleration shall result in the entire unpaid annual Fee being due to the District immediately. The District also reserves the right to decelerate any accelerated Fee.

9. **Ratification of Past Actions:** All acts, omissions, waivers and/or payment plans heretofor undertaken by the Manager or General Counsel that would otherwise have been authorized by or not required by this Resolution are hereby affirmed, ratified and made effective as of the date said acts, omissions, waivers and/or payment plans occurred.

10. **Additional Actions:** The Board directs its officers, staff and consultants to take such additional actions and execute such additional documents as are necessary to give full effect to the intention of this Resolution.

11. **Deviations:** The District may deviate from the procedures set forth in this Resolution if in its sole discretion such deviation is reasonable under the circumstances.

12. **Supersedes Prior Resolutions:** This Resolution shall supersede and replace in their entirety all prior resolutions addressing the processing and/or collection of Delinquent Fees and Charges, including the Prior Policy. To the extent that any term or provision in this Resolution conflicts with any term or provision in a previously enacted and valid resolution of the District, the term or provision in this Resolution shall prevail.

13. **Severability:** If any term, condition or provision of this Resolution shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such term, condition or provision shall not affect any other provision contained in this Resolution, the intention being that such provisions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Resolution a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

14. **Savings Provision:** The failure to comply with the procedures set forth herein shall not affect the status of the Delinquent Fees and Charges as a perpetual Lien subject to foreclosure in accordance with law. Failure by the Manager, General Counsel or other authorized representative to take any action in accordance with the guidelines provided herein shall not invalidate subsequent efforts to collect the Delinquent Fees and Charges.

**NORTH RANGE METROPOLITAN DISTRICT NO. 1  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

North Range Metropolitan District No.1 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000 and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts Nos. 2, 3, 4 and 5 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion and the NRMD's have entered into intergovernmental agreements whereby Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material."

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by both the General Fund and the Debt Service Fund. The budget assumes that specific ownership taxes allocable to property taxes collected by the Debt Service Fund will be pledged to debt service on the bonds during the term the bonds are outstanding.

**NORTH RANGE METROPOLITAN DISTRICT NO. 1  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

**Expenditures**

**General Government**

General government expenditures included the estimated services necessary to maintain the District's administrative viability, such as legal, audit, management, election, accounting, insurance, and meeting expenses.

**Intergovernmental expenditure**

Pursuant to intergovernmental agreements, the District will remit revenues to Reunion in order to pay the District's operational cost which may include legal, management, accounting, insurance, and meeting expenses as well as fund the operations of Reunion.

**Debt Service**

Principal and interest payments in 2019 are provided based on the debt amortization schedule from the Series 2016 Bonds.

**MLEPA payment to Reunion**

On June 3, 2016, and as amended on May 1, 2017, the District entered into a Mill Levy Equalization and Pledge Agreement (MLEPA) with Reunion, District No. 2, District No. 3, and District No. 4 (collectively, the "MLEPA Districts" and individually, a "MLEPA District") in order to promote the integrated plan of development set forth in the Service Plans for the MLEPA Districts. The MLEPA is intended to ensure an equitable allocation among the MLEPA Districts of the costs of acquiring, installing, constructing, designing, administering, financing, operating, and maintaining streets, water, sanitation and various other public improvements (collectively, the "Public Improvements") and services, as well as covenant enforcement services within Reunion.

Pursuant to the MLEPA, each applicable North Range District agrees to impose an Equalization Mill Levy consisting of the Debt Service Mill Levy plus the Operations and Maintenance Mill Levy in order to pay the Developer Debt, the Senior Bonds, the Reunion debt, and the operations and maintenance costs of the Districts. The MLEPA generally defines the term "Developer Debt" as (i) amounts owed to the Developer by any applicable North Range District for advancing of guaranty payments on the Senior Bonds, for the provision of Public Improvements or for advancing of amounts to fund operations shortfalls and (ii) any other repayment obligations incurred by the MLEPA Districts in connection with advances made by the Developer to the MLEPA Districts for the purpose of paying the costs of designing, acquiring, installing, and constructing the Public Improvements or paying the operations and maintenance costs of the MLEPA Districts.

**NORTH RANGE METROPOLITAN DISTRICT NO. 1

**Services Provided**

The Board of Directors of North Range Metropolitan District No. 1 (the "District") by resolution allowed for the division of the District into one or more areas. North Range Metropolitan District No. 1 Subdistrict No. 1 (the "Subdistrict") was created for the purposes of maintaining the alleyways adjacent to certain residential taxpayers. **Revenues**

**Property Taxes**

Property taxes are levied by the Subdistrict's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the Subdistrict.

The calculation of the taxes levied is displayed on the Property Tax Summary of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the Subdistrict's share will be equal to approximately 7% of the property taxes collected by both the General Fund and the Debt Service Fund. The budget assumes that specific ownership taxes allocable to property taxes collected by the Debt Service Fund will be pledged to debt service on the bonds during the term the bonds are outstanding.

**Net Investment Income**

Interest earned on the Subdistrict's available funds has been estimated based on an average interest rate of approximately 1.5%.

**NORTH RANGE METROPOLITAN DISTRICT NO. 2  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

North Range Metropolitan District No.2 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000 and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts Nos. 1, 3, 4, and 5 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion and the NRMD's have entered into intergovernmental agreements whereby Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The district has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material."

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by both the General Fund and the Debt Service Fund. The budget assumes that specific ownership taxes allocable to property taxes collected by the Debt Service Fund will be pledged to debt service on the bonds during the term the bonds are outstanding.

**Debt Service**

The District will make debt service payments on the Bonds as required.

**MLEPA payment to Reunion - Intergovernmental**

On June 3, 2016, and as amended on May 1, 2017, the District entered into a Mill Levy Equalization and Pledge Agreement (MLEPA) with Reunion, District No. 1, District No. 3, and District No. 4 (collectively, the "MLEPA Districts" and individually, a "MLEPA District") in order to promote the integrated plan of development set forth in the Service Plans for the MLEPA Districts. The MLEPA is intended to ensure an equitable allocation among the MLEPA Districts of the costs of acquiring, installing, constructing, designing, administering, financing, operating, and maintaining streets, water, sanitation and various other public improvements (collectively, the "Public Improvements") and services, as well as covenant enforcement services within Reunion.

**NORTH RANGE METROPOLITAN DISTRICT NO. 2  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures – (continued)**

Pursuant to the MLEPA, each applicable North Range District agrees to impose an Equalization Mill Levy consisting of the Debt Service Mill Levy plus the Operations and Maintenance Mill Levy in order to pay the Developer Debt, the Senior Bonds, the Reunion debt, and the operations and maintenance costs of the Districts. The MLEPA generally defines the term “Developer Debt” as (i) amounts owed to the Developer by any applicable North Range District for advancing of guaranty payments on the Senior Bonds, for the provision of public Improvements or for advancing of amounts to fund operations shortfalls and (ii) any other repayment obligations incurred by the MLEPA Districts in connection with advances made by the Developer to the MLEPA Districts for the purpose of paying the costs of designing, acquiring, installing, and constructing the Public Improvements or paying the operations and maintenance costs of the MLEPA Districts. The MLEPA generally defines the term “Senior Bonds” as all bonds issued by the North Range Districts, now or in the future, which bonds shall be senior to any obligations of the North Range Districts under the MLEPA. The term “Reunion Debt” generally means all bonds, agreements or other financial obligations issued or incurred by Reunion or assumed by Reunion from any North Range District, specifically including the 2017 Reunion Bonds.

The District has levied the required operations and debt services mill levies under the MLEPA. Revenue generated from the Operations and Maintenance Mill Levy will be transferred to Reunion.

**NORTH RANGE METROPOLITAN DISTRICT NO. 2  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases - (continued)**

The 2017B Bonds bear interest rate of 7.75% per annum and payable annually on December 15, but only to the extent of available Subordinate Pledged Revenue. **NORTH RANGE METROPOLITAN DISTRICT NO. 3  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

North Range Metropolitan District No.3 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts Nos. 1, 2, 4, and 5 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion and the NRMD's have entered into intergovernmental agreements whereby Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on Property Tax Summary page of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund and the Debt Service Fund.

**NORTH RANGE METROPOLITAN DISTRICT NO. 3  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures**

**Intergovernmental expenditure - Operations**

Pursuant to intergovernmental agreements, the District will remit revenues to Reunion in order to pay the Districts operational cost which may include legal, management, accounting, insurance, and meeting expenses.

**MLEPA payment to Reunion**

On June 3, 2016, and as amended on May 1, 2017, the District entered into a Mill Levy Equalization and Pledge Agreement (MLEPA) with Reunion, District No. 1, District No. 2, and District No. 4 (collectively, the "MLEPA Districts" and individually, a "MLEPA District") in order to promote the integrated plan of development set forth in the Service Plans for the MLEPA Districts. The MLEPA is intended to ensure an equitable allocation among the MLEPA Districts of the costs of acquiring, installing, constructing, designing, administering, financing, operating, and maintaining streets, water, sanitation and various other public improvements (collectively, the "Public Improvements") and services, as well as covenant enforcement services within Reunion.

Pursuant to the MLEPA, each applicable North Range District agrees to impose an Equalization Mill Levy consisting of the Debt Service Mill Levy plus the Operations and Maintenance Mill Levy in order to pay the Developer Debt, the Senior Bonds, the Reunion Debt, and the operations and maintenance costs of the Districts. The MLEPA generally defines the term "Developer Debt" as (i) amounts owed to the Developer by any applicable North Range District for advancing of guaranty payments on the Senior Bonds, for the provision of Public Improvements or for advancing of amounts to fund operations shortfalls and (ii) any other repayment obligations incurred by the MLEPA Districts in connection with advances made by the Developer to the MLEPA Districts for the purpose of paying the costs of designing, acquiring, installing, and constructing the Public Improvements or paying the operations and maintenance costs of the MLEPA Districts. The MLEPA generally defines the term "Senior Bonds" as all bonds issued by the North Range Districts, now or in the future, which bonds shall be senior to any obligations of the North Range Districts under the MLEPA. The Term "Reunion Debt" generally means all bonds, agreements, or other financial obligations issued or incurred by Reunion or assumed by Reunion from any North Range District, specifically including the 2017 Reunion Bonds.

The District has levied the required operations and debt services mill levies under the MLEPA and will transfer Surplus Debt Mill Levy Revenues to Reunion.

**Debt and Leases**

The District has neither outstanding debt nor leases.

**Reserves**

**Emergency Reserve**

The District has provided for an Emergency Reserve equal to at least 3% of fiscal year spending, as defined under TABOR.

**NORTH RANGE METROPOLITAN DISTRICT NO. 5  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

North Range Metropolitan District No. 5 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts No. 1, 2, 3, and 4 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenue**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund.

**REUNION METROPOLITAN DISTRICT  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Reunion Metropolitan District (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts No. 1, 2, 3, 4, and 5 (collectively "NRMD's"). The District and the NRMD's have entered into intergovernmental agreements whereby Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that the District will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to the District.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Net investment income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

**Development fees**

The District has established a development fee that is to be imposed on new residential and non-residential (commercial and industrial) development within the NRMDs. The system development fee is designed to recover a portion of the estimated costs of the construction of street improvements, storm drainage facilities, parks, trails and street landscaping and water and wastewater infrastructure costs as found in the District's Facility Plan.

The required system development fee is based upon the needs identified in a comprehensive planning document called the Facility Plan that identifies the capital improvements described above.

Additionally, the City of Commerce City has agreed to allow the District to collect and keep the Road Impact Fee that the City has imposed on new development. The District will be able to collect and keep the fees until such time as the costs for any major arterials constructed by the District on behalf of the City are reimbursed.

**REUNION METROPOLITAN DISTRICT  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues - (continued)**

**Recreation center revenue**

The District imposes a monthly recreation fee on all occupied residential properties within the boundaries of the District and the NRMDs in order to provide for the operating needs of the recreation center. The monthly fee is \$27.50 per household and the District has provided an allowance for doubtful collections. Additionally, the recreation center puts on numerous programs throughout the year and charges for these programs in order to offset the costs of organizing and administering such programs.

**HOA revenue**

The District, by agreement, assumed operational control and responsibility for the Reunion Homeowners' Association (HOA). The annual HOA fee is \$96 and will be billed at \$8 per month and the District has provided an allowance for doubtful collections. This fee is established by the District on behalf of the Reunion HOA Board and imposed to pay for the expenditures associated with the HOA.

**MLEPA Payments from North Range Districts**

On June 3, 2016, and as amended on May 1, 2017, the District entered into a Mill Levy Equalization and Pledge Agreement (MLEPA) with North Range District Nos. 1, 2, 3 and 4 (collectively, the "MLEPA Districts" and individually, a "MLEPA District") in order to promote the integrated plan of development set forth in the Service Plans for the MLEPA Districts. The MLEPA is intended to ensure an equitable allocation among the MLEPA Districts of the costs of acquiring, installing, constructing, designing, administering, financing, operating, and maintaining streets, water, sanitation and various other public improvements (collectively, the "Public Improvements") and services, as well as covenant enforcement services within Reunion.

Pursuant to the MLEPA, each applicable North Range District agrees to impose an Equalization Mill Levy consisting of the Debt Service Mill Levy plus the Operations and Maintenance Mill Levy in order to pay the Developer Debt, the Senior Bonds, the Reunion Debt and the operations and maintenance costs of the Districts. The MLEPA generally defines the term "Developer Debt" as (i) amounts owed to the Developer by any applicable North Range District for advancing of guaranty payments on the Senior Bonds, for the provision of Public Improvements or for advancing of amounts to fund operations shortfalls and (ii) any other repayment obligation incurred by the MLEPA Districts in connection with advances made by the Developer to the MLEPA Districts for the purpose of paying the costs of designing, acquiring, installing, and constructing the Public Improvements or paying the operations and maintenance costs of the MLEPA Districts. The MLEPA generally defines the term "Senior Bonds" as all bonds issued by the North Range Districts, now or in the future, which bonds shall be senior to any obligations of the North Range Districts under the MLEPA. The term "Reunion Debt" generally means all bonds, agreements or other financial obligations issued or incurred by Reunion or assumed by Reunion from any North Range District, specifically including the 2017 Reunion Bonds.

**REUNION METROPOLITAN DISTRICT  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures**

**General Government**

General government expenditures included the estimated services necessary to maintain the District's administrative viability, such as legal, management, accounting, insurance, and meeting expenses. These general government expenditures are incurred not only for Reunion, but also on behalf of the NRMD's.

**Operations**

Facilities that are constructed by the District are either turned over to a third party for maintenance (i.e. streets to Commerce City, or water and sewer lines to South Adams County Water and Sanitation District) or maintained by the District (i.e. streets, landscaping, and parks). The budget reflects the District's operational expenditures in order to maintain those assets not conveyed to other entities.

In addition, the cost of operating and maintaining the Reunion Recreation Center and Homeowners' Association are also included under this category, although they are accounted for within their respective special revenue funds

**Capital Outlay**

Anticipated expenditures for capital outlay are reflected in the Capital Projects fund page of the budget.

**Intergovernmental**

In conjunction with the 2017 bond issuance for NRMD No. 2, the District anticipates transferring certain revenues generated by NRMD No. 2 development to NRMD No. 2 in order to pay the principal and interest on the Bonds.

**Debt and Leases**

On June 30, 2017, the District issued its Series 2017, Subordinate Bonds (Non-rated, Cash-Flow, Fill-up bonds) in the original par amount of \$16,600,000 with the final par being \$21,600,000. The bonds bear interest of 4% and are payable beginning December 15, 2017 based on available cash flow from Excess revenues generated from North Range 1 and North Range 2 development. After the December 15, 2017 payment, no payments will be made on the Bonds until \$5 million in Excess revenues have been generated to fund certain capital improvements; payments will resume after thereafter. It is anticipated an additional \$2,910,000 in bonds will be issued in 2019.

The District has no operating or capital leases.

**REUNION METROPOLITAN DISTRICT  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Reserves**

**Emergency Reserve**

The District does not provide for Emergency Reserves. The taxing entities of North Range Metropolitan District No. 1, North Range Metropolitan District No. 2, North Range Metropolitan District No. 3, and North Range Metropolitan District No. 4 provide for emergency reserves equal to at least 3% of fiscal year spending, as defined under TABOR.

**NORTH RANGE METROPOLITAN DISTRICT NO. 5  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

North Range Metropolitan District No. 5 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on December 27, 2000, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District was organized in conjunction with North Range Metropolitan Districts No. 1, 2, 3, and 4 (collectively "NRMD's"), and the Reunion Metropolitan District ("Reunion"). Reunion provides the construction for street improvements, storm drainage improvements, safety protection facilities, parks and recreation facilities and water and wastewater improvements. The service plan anticipates that Reunion will be responsible for managing the construction, operation, and maintenance of such improvements and facilities and that the NRMD's will provide the necessary funding to Reunion.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenue**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the Budget at the adopted total mill levy.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund.

Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

**Expenditures**

**Administrative**

Administrative expenditures include the services necessary to maintain the administrative viability such as accounting, legal, insurance, dues and other administrative services of the District.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
