## \*Sunset YOGA\*

Months of June, July and August

Tuesday 7:00 - 8:00 pm

Thursday 7:00 - 8:00 pm

\$5 District \$6 Non-District

What if I told you yoga is what happens off the mat? Our time on the mat is simply practice for life. And as such, yoga is a way of being in which we practice shedding societal stories that cover our true nature. Please join me to explore the principles and ideas of yoga.

Wisdom and concepts will be pulled from multiple lineages. I invite you to come as you are to move and breathe with me. Our aim, as is the aim of yoga, will be to be able to enjoy being with ourselves in the empty moments of time. All are welcome.

## Free Yoga For Grief Session II: Restore

The Whole Conversation: Transitioning from the Before-time to the After-time

Saturday, July 31st 1:00 - 2:30 pm

In the aerobics room of the Reunion rec center

Limit: 6 people

More classes will be added to accommodate all those interested.

This will be a space to acknowledge all that may be between I and FINE. So many of us have lost someone or something to COVID-19. As we begin to step into the after-time of the COVID-19 pandemic, have you found time and space to acknowledge what you have lost?

This time is intended to begin the healing journey of surviving a pandemic. This is a place where you don't need to be put together. All feelings and experiences will be held with loving hands.

The time together will include yoga, journaling, conversation, and community.

Please bring your own journal.

Serendipity Preschool strives to create an  
environment that stimulates all developmental areas of learn-  
ing, where your child can grow and develop at his or her own  
unique pace. We will provide a wide variety  
of learning experiences that will promote  
independence, decision-making, and awareness  
of the world and its possibilities.

This will be accomplished by using monthly themes that will  
incorporate structured group activities, constructive play, art,  
music, stories, exploration, and discovery.

We are committed to assisting your preschooler to develop  
cognitively, physically, socially, and  
emotionally, so that his or her learning experience is  
effective, fun, and a positive first experience  
in formal education.
