## Serendipity Preschool

Serendipity Preschool strives to create an environment that stimulates all

developmental areas of learning, where

your child can grow and develop at his or her own unique pace. We will provide a

wide variety of learning experiences that will promote independence, decision-

making, and awareness of the world and its possibilities.

This will be accomplished by using monthly themes that will incorporate structured group activities, constructive play, art,

music, stories, exploration, and discovery.

We are committed to assisting your preschooler to develop cognitively, physically, socially, and emotionally, so that his or her learning experience is effective,

fun, and a positive first experience in formal education.

## Dance Exercise and Swing Dance

Kathy Mohr

**Registration will open in the next couple of weeks.**

### West Coast Swing Dance Class

No partner needed. You can come by yourself.

This fun and versatile swing dance can be danced to almost any kind of music. I make it so easy that you will be moving, dancing, and having a good time in the first 2-3 sessions.

Once you are comfortably moving, we will gradually add proper technique.

There are lots of opportunities to do West Coast Swing in the Denver area, and you don't need a partner. Everyone dances with everyone else. It's a beautiful thing!

Come have fun with us! Ages 18+

### Dance Exercise Class

Dance exercise is easy dance steps set to fun music. It is the perfect combination of cardio, power, and interval training.

This class will give you a great workout and teach you how to dance. You will also develop muscle control and balance and learn how to produce movement, so you will get more out of your workout.

Come and have fun with us.

All levels are welcome: beginners who have never danced and advanced students who want a great workout. Ages 11 and up.
